CASH BACK OPTION/ RETURN OF PREMIUM

100%, 50%, or 75% of base premiums available at the end of the term period depending on the company

CHRONIC ILLNESS

You become diagnosed as chronically ill and unable to perform on your own two of the six activities of daily living such as bathing, dressing, eating, continence, toileting, transferring or due to cognitive impairment.

CRITICAL ILLNESS

A lump sum benefit is paid should you suffer from a triggering event illness such as cancer, heart attack, stroke, blindness due to diabetes, kidney failure or major organ transplant, and more...

TERMINAL ILLNESS

With this benefit, if the insured is diagnosed with a qualified, terminal illness that results in a life expectancy of 12 months or less, client will be able to use a percent of the policy face amount

ACCIDENTAL DEATH BENEFIT

Accidental Death Benefit rider equal to the policy face amount will be added automatically to the policy. The accidental death benefit will pay if the insured dies from a bodily injury which is a direct result of an accident.
